I worked in Los Angeles and I loved my job, but hated my boss. So rather than let him get the better of me, I made him my bitch by flashing my perfect boobs, sucking his bossy cock, and giving him some on the job training with my tight pussy. Then – if I wanted a three hour lunch break – no problem. And I got to go home early, too. But for that one I had to give up my even tighter ass.

"Where in the hell are you going?" Joy asked, her voice heavy with uncertainty.

Hands on the wheel, I cut my eyes to the right. "The bookstore. That's where you wanted to go, right?"

"We're headed in the wrong direction."

I wheeled into the parking lot. The crunch of gravel beneath my

the bomb and hope for the best.

"Come on. I want to show you something."

Joy's expression was one I had never seen before; she looked at me like I had lost my mind, like the guy she had been seeing—and fucking—for the past four weeks had suddenly morphed into a total stranger.

"Get me out of here, Mike. I'm serious."

"Calm down."

"Don't tell me to calm—"

"Suit yourself," I cut her off,

Jizz for Joy

waving my hand dismissively. "I'll be back in a minute."

I climbed out of my old car and walked to the front door. I could feel Joy staring daggers at my spine. Not a good feeling. Still, she had to know the truth. Today was the day. When she had told me after lunch that she wanted to go book shopping—well, I had seized the opportunity to get this thing off my chest.

I entered the store and went straight to the magazines. In this respect I was a minority, a throw-back to a simpler time. A better time, some would say. I would have to agree. Call me a grumpy old man. Guilty as charged. The other customers perused the DVDs and toys.

The middle eastern clerk behind the counter was playing with his smartphone. I recognized him from my last time here. When had that been? At least two years ago. I had picked up several mags—Club, Gallery, High Society—to see if they still published letters and/or stories. As a writer, I had been overjoyed to find that they did; I had a backlog of dirty yarns in desperate need of a home.

Fast forward to now and I'm a regular freelancer for the afore-

tires competed with Joy's protest. "No way, Mike. This place is fucking gross."

I parked in front of the shabby little store.

"These aren't the kinds of books I had in mind," she said, turning in her seat to face me. "This is a joke. Please tell me this is a joke . . ."

"Loosen up, Joy."

I opened the door. Joy didn't budge. She was pissed. This place was beneath her. Let her squirm, I thought. It was unavoidable. I had to put everything on the table. If our relationship was going to work, I reasoned, she had to know everything about me.

We had been dating for a whole month. It was time for me to drop

mentioned titles. It's the best job I've ever had, a fantastic way to supplement my income while sharpening my writing skills.

Joy had no clue.

But that was about to change.

I selected a copy of *Club* which featured one of my pieces. I had my contributor copy at home, but I didn't mind spending the money on another. The publishing company treated me well. I hoped they would be around for a long time.

The clerk rang me up and put my purchase in a black plastic bag with an American flag on it. I returned to the car. Joy wasn't happy; she wore a sullen expression.

"You actually bought something?"

I proffered the bag. "Here."

"What is it?"

"Look and see."

"I'd rather not."

"Go on, Joy. It's not a snake."

"Is it a pocket pussy?"

"I don't need one of those."

"You might."

"What's that supposed to mean?" I asked. "You plan on leaving me?"

She didn't say a word. I dropped the bag in her lap. Her curiosity piqued, she reached inside and pulled out the magazine. I watched her face as she examined its glossy cover. She seemed mildly amused.

"Open it," I told her.

I waited and waited but she wouldn't do it. Finally, I snatched the thing out of her hand and did it for her. I stuffed the torn plastic wrapper inside the American flag bag and proffered the magazine once again. This time, I'm not sure why, she took it.

I convinced her to read the story. My story. The one I had written some four months prior. It didn't take her long. The piece was short, about 1800 words, and Joy was a fast reader.

"That's mine," I said after she had finished.

"What do you mean?"

"I wrote it."

"You're full of shit."

"I'm serious."

"I don't see your name."

"They don't use bylines," I explained. "Not for stories, anyway. But I'm the author of the piece."

"I don't believe you."

"What if I showed you the exact same story on my laptop? Would you believe me then?"

She gave this some thought, searching my face as she did so. "That wouldn't prove a thing. You could've just typed it word for word from the magazine."

"You calling me a plagiarist?"

"If the shoe fits."

We went back and forth like this for a good ten minutes. Joy was hard to convince. Finally, she said, "Show me a check stub from the publisher. Then I'll believe you."

"You're on," I told her, cranking the car and backing away from the storefront.

My tires kicked up gravel as I sped out of the parking lot. I wanted Joy to know that I was a pub-

lished writer, that I had another iron in the fire, so to speak. My day job—dishwasher at a truck stop café—was less than impressive. I was capable of more, a whole hell

of a lot more. And Joy needed to know this. Otherwise, she might grow bored with our relationship and ditch me in search of greener pastures.

Joy could do a lot better than me. I was damn lucky to have her. And determined to keep her.

No sooner had we entered my apartment than I showed her my contributor copy of *Club*.

"See," I told her, holding it beside the one I had purchased today. "Same issue."

Joy was unimpressed. She said, "Big deal. Show me that check stub."

I had kept every stub from the publishing company, stowing them in an old battleship gray file box filled with other important documents.

"Here." I handed Joy my most recent stub. "Read it and weep, baby."

"Editorial," she read aloud. "Four hundred and fifty dollars."

Still, Joy wasn't convinced. She opened my contributor copy and peered at the masthead, compar-

ing the Publisher's name to the one printed on the stub. They were a perfect match, of course.

"Wow," Joy said. "I had no idea."

"It's not Shakespeare," I stated the obvious, "but we all have to start somewhere."

"Why did you wait so long to tell me?"

"I write smut, Joy. Some people have a problem with that. I thought you might disapprove. I didn't want to offend you."

She smiled. "Well, I don't disapprove. And you haven't offended me."

"That's a relief."

"In fact," she said, "you've turned me on."

Joy wasn't kidding. She took off her blouse and bra and crouched before me. I stood rooted to the spot while she unzipped me and liberated my cock.

She employed her tongue, licking the underside of my shaft, from my ballbag to glans, with superlative skill. It wasn't long before she took me in her mouth and proceeded to suck my dick in earnest. Her lips wrapped around my pole, she pumped her head with increasing speed, working up

spit shined boner was harder than a brick. I couldn't wait to stick it in her tight cunt.

Joy stood and removed her sarong skirt, unveiling a tropical print bikini bottom which hugged her tight ass like plastic wrap. Staring at that mouth-watering caboose, I followed her down the hall to my bedroom where she shucked the brief and sat on the edge of the bed. I hastened out of my pants as she lay atop the comforter.

Having pushed her slender thighs apart, I moved on top of her, sliding my cock into the snug embrace of her pussy. She sighed dreamily when I entered her, sighed and raised her knees to receive every rigid inch of my throbbing member.

I thrust slowly, deeply. Joy's cunt yielded to my cock. She was wet and hot. I gradually picked up the pace, fucking her faster. She gasped and writhed, urging me onward with a spew of dirty talk.

"Fuck my dirty cunt! Make this pussy come!"

but I didn't give a damn. They looked wonderful to me. And they felt even better. I knew this from experience as Joy liked to be fittie-fucked more than any girl I had ever dated.

No time like the present, I thought, pulling out of her pussy and dropping my cock between her jugs. She squeezed them together, creating a tight crevice. I thrust repeatedly, banging her boobs with a frenzied jabbing motion. I had one thing on my mind: busting a nut all over those surgically enhanced peaks of hers.

Joy seemed to read my thoughts. "Do it, baby," she uttered breathily. "Jizz on my big tit-ties."

She got her wish. My cock exploded, spasming and spitting, glazing her tits with a sizable load of cum. Spent, I rolled off and stared at the ceiling; this while Joy finished herself with her hand.

"Today was a first," she said after we had recovered.

"How so?"

"Never been fucked by a published writer."

"Well, now you have."

Things got quiet. Then Joy said, "You should write about today, about us . . ."

"Maybe I will."

"If you do," she added, "I expect a cut."

"How much?"

"Fifty percent."

"Ouch!"

"Fair is fair."

"I was thinking more like thirty."

"You're awful," Joy said, slugging me in the shoulder.

"Hey, that hurt."

"I hope so."

I wanted to fuck her again, but she had to pick up her sister from the airport. I took a shower, ate a light dinner, and spent the remainder of the evening drinking beer and belting out a new story.

Joy liked it.

And I hope you did too.

to a jerky bobbing motion which brought me to brink of blowing my wad.

Thankfully Joy eased up just in time, withdrawing her mouth to take a much-needed breather. My

JENNIFER ***I'M READY FOR YOUR DICK-TATION***

I work in one of the high rise office building in the Chicago Loop. My favorite day working as a temp was when the manager came into the room to talk about extending my time here. I stared at the lump in his pants and I think he noticed because he pulled his cock out and I absolutely blew his – mind. Thus, I was a temp no more!

ARIANA

A SWEET EROTIC DREAM

I've had a long time friendship with my favorite glass dildo. It's been hundreds of times that it has pleased my sweet pussy. It's been a couple years now that my ex gave it to me to help spend the lonely nights while he was away, and it did. Little does he know it's all but replaced him, and that's not a bad thing.

KATRINA
LIKES A HUGE
COCK BEFORE
NOON

I can't say I'm addicted to sex, but I love fucking in the morning. I'll confess that I have a very strong sexual libido. I sure do think about sex a lot. And I try to get as many chances as I can to fulfill my desires. Like when I'm fucking Justin, because I know he has a high sex drive, too. So we fucked and fucked, and by the time he got his cock into my wet pussy, he came and I pulled him out and took it in my mouth and swallowed it all.

Seducing My Professor

Throughout the first few weeks of the semester, I found myself drawn to Professor Santiago during his lectures. His rugged features seemed to soften when he got passionate about a lesson and every time our eyes met across the lecture hall, my heart would race.

After a particularly heated discussion in class, I stayed behind as the other students filed out of the lecture hall. Professor Santiago was bent over his desk. Broad shoulders straining against the fabric of his dress shirt as he shuffled through a stack of papers. I walked up to him wearing a short, tight skirt and a red blouse. My black heels clicked against the hardwood floor.

"Professor Santiago, could I talk with you? Privately," I asked. He looked up, grey eyes meeting mine and widening slightly. Swallowing hard, his gaze lingering on my exposed skin before snapping back up.

"Of course, Miss Thompson," he said, his voice rough, "I have some time now, if you'd like to follow me to my office." I nodded and walked behind him, appreciating the way his dress pants hugged his lean thighs. Inside his office, Professor Santiago gestured for me to take a seat in one of the armchairs but I sauntered over to sit on the edge of his desk, crossing one leg over the other. His arms folded across his chest as he studied me. "What did you want to discuss, Miss Thompson?"

I licked my lips, "I wanted to talk about the way you look at me, Professor. I've seen the way your eyes linger on me during class and I know you feel it, too. This tension." His breath caught in his throat.

"Miss Thompson," he whis-

pered, "I don't think this is appropriate. You're my student, and... we shouldn't..." Even as the words left his mouth, the Professor moved closer to me. He placed his hands on either side of my hips, digging his fingers into the soft flesh of my thighs. I reached out and curled my fingers around the back of his neck, pulling him closer until our lips were an inch apart.

"I want you, Professor," I whispered, "Please...please don't deny yourself this." With that, I closed the distance between us and pressed my lips to his. Professor Santiago groaned into my mouth, his hands slid up my thighs to grip my ass as he pulled me flush against him. The hard bulge of his erection pressed insistently against me.

I rolled my hips forward to

grind myself against him. With my fingers fisted in his hair, I sharply tugged to deepen the kiss. Professor Santiago matched my fervor, his tongue ravaging mine with a hunger that bordered on desperation. His hands slid up my back, bringing the fabric of my blouse with him. My bra fell away next, leaving me completely naked and exposed to him. My Professor took in the sight of me, clad in nothing but a short black skirt and heels. My small, perky breasts jutted out, begging to be touched.

"Fuck, Olivia," his hands cup-

Before I knew it, I was laid across his desk with my skirt flipped up and his thick dick was balls deep inside my wet pussy.

ping my tits. His thumbs brushing over the hardened peaks of my nipples. "You're so fucking beautiful. I want to taste every inch of you and mark you as mine in every way possible."

I arched my back and pressed myself into his touch, a low moan escaping my lips. I wanted to surrender myself to him. Professor Santiago groaned and his head dipped down to capture my left nipple into his mouth. His tongue

swirled around the sensitive skin before drawing it between his teeth. Feeling the pinch, I cried out in surprise. Shock turned to pleasure in an instant, so I grabbed his hair and held him tighter against my boob. His hands slid down my stomach, fingers dipping beneath the hemline of my skirt. I was already wet, my juices coated his fingers as he parted my folds.

"Professor," I gasped, my hips bucking against his hand as I

sought more of his touch. "Please... please fuck me. I need you inside me. I need to feel you filling me, stretching me, now!" The Professor's answering growl was muffled against my tit. He sucked harder, his fingers started pumping in and out of my pussy. My moans grew louder, beginning to echo off of the walls of his office.

Finally, I got to experience my professor's cock stretching me open. Before I knew it, I was laid across his desk with my skirt flipped up and his thick dick was balls deep inside my wet pussy. I clenched around him.

"Fuck, Olivia," Professor Santiago groaned. His hips drove into me again and again, making my chest bounce with each forceful thrust. "You feel so fucking good. I don't know if I can hold back, if I can keep myself from filling you with my cum."

"Then don't... I want to feel you come inside me. Please, Professor, give me everything you have!"

Professor Santiago did just that. Hips slammed against mine so hard that the entire desk shook beneath us. Skin slapping against skin and the creaking of the wood scraping against the floor grew louder. I could feel my orgasm building, winding tighter and tighter in my core.

With my name on his lips, Professor Santiago came. His cock pulsed and shot me full of his seed in thick, creamy ropes. It pushed me over the edge of my own orgasm, I screamed. Body shaking, I squeezed around his cock intending to milk every last drop of his release.

We collapsed against each other, his weight pressing me into the desk. There was no going back now for either of us. We had crossed a line. One that we'd walk over again and again throughout that fall semester.

HALEY **MY ASS FOR** **THE RENT**

I'm real adventurous and kinda nasty, too. Sex has always been an adventure for me from my first experience to my last. I'm the type of girl who's all in or all out. So when I had to pay my rent and I had no money, the not-so-gentle landlord accepted my sweet, young ass as payment. He started our little session with ass licking and then it all progressed deeper into my ass from there. Now I have to find a way to make the darn car payment.

LINA & CAYENNE

A GIRL'S NIGHT IN

I love the way Cayenne plays with me. There's no hesitation and no reservation. If I say I want my pussy licked, she'll lick it, and then some. And I like licking hers just as much. And when we start licking each other's pretty little backdoor buds, well, that's a sweet rush, that's a real girl party.
